RESILIART DEBATE

PREPARED BY

RWYC Indonesia

DATE

February 4, 2022

CONCEPT

AWAKENING CULTURE AWARENESS TO THE YOUNGER GENERATION

To focalize the significance of culture for the growth of children and the value in their life.

PANELISTS

PANELISTS:

- Prof. Rana P. B. Singh (India)
- Prof. Aditi Misra (India)
- D. Paul Schafer (Canada)
- Dr. Mira Sartika (Indonesia)

MODERATOR:

Prof. Olimpia Niglio (Italy)

PROCEEDINGS

4 Panelists, 1 Moderator, 4 questions in 90 minutes

For a dynamic discussion, it is best to avoid presentations and speeches during the debate segment. While questions should be tailored to each panelist, the moderator shall encourage panelists to freely and spontaneously interact and build on each other's responses.

The overall session should last roughly 110 minutes: 90 minutes for the debate and additional 20 minutes allocated for introduction, Q&A and conclusion.

THEMES

Under the theme No. 5

Professional training and interdisciplinary education for a flourishing, inclusive culture sector

QUESTIONS

- 
1. From the vast and complex definition of culture, we should construe, what is the best definition that we have to tell children about culture in the first place? So, they can easily relate culture to the complexity of its realm later on throughout their life.
 2. Having understood what culture is, we need to discuss why it is relevant in all walks of life. Also how it can be embedded in the curriculum in such a way that it reaches all.
 3. Given the rapidly growing importance of culture, how do we ensure that a prominent place is opened up for teaching and learning about culture and cultures in educational curriculums throughout the world?
 4. How to awaken children and youth to understand their culture and heritage through understanding evolution of mankind and function of cultural values in their life?
